## Report on India-Japan YNU Symposium 2019

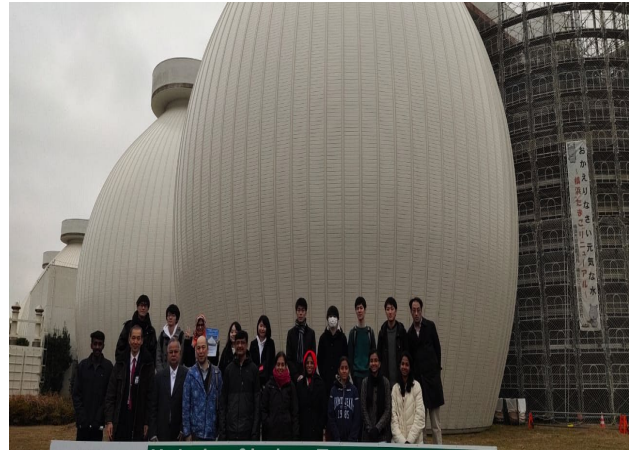

The India – Japan YNU symposium is held from 16<sup>th</sup> December 2019 to 18<sup>th</sup> December 2019 co-organized with GMI symposium 2019 and jointly organized with YEIS International Forum 2019. The objective of this joint seminar is to discuss the environment and energy technologies for the Sustainable Development Goals (SDGs) with the experts from Indian and Japanese Universities, governmental sections and industries.

On the first day of the symposium, professors from Punjab university and Yokohama National university gave a talk. The students from Indian and Japanese universities had a poster session post lunch.

On the 2<sup>nd</sup> and 3<sup>rd</sup> day of the symposium DST-JSPS Bilateral joint seminar was held in which the professors from Indian and Japanese Universities Presentations were held.

The next day we had a visit to Hokubu Sludge Treatment Centre, Yokohama City which was organized by the Professor Kazuho Nakamura, Faculty of Engineering in YNU.

Finally the fifth day of the Programme was the meeting of the professors and students in the Indian embassy with Dr. Usha Dixit, Counsellor (S&T), the Embassy of India, Tokyo. Finally the event was the 2<sup>nd</sup> JIEPP Symposium at the University of Tokyo with the various Professors.

Advisory for this Events are:

- Assoc. Prof. Kazuho Nakamura, Engineering, Secretary in General
- Prof. D.Mohan, Dean, Science and Humanities, Rajalakshmi Engineering College

B.Tech Chemical Engineering  
Rajalakshmi Engineering College, Chennai
